Louisville, KY 40206

When:

Tuesday, December 9,
2014
5:30 pm - 7:00 pm

Agenda:

Discuss possible improve-
ment options on Lexing-
ton Road, from Baxter
Avenue to Grinstead

TRANSPORTATION PLAN

Louisville Metro and Qk4 invite you to participate in the Lexington Road Corridor Transportation Plan—focused between Baxter Avenue and Grinstead Drive—by attending the third of four public meetings.

These meetings are being held to understand concerns and issues on the corridor, and work with the public to identify possible options that improve safety and mobility for bicyclists, drivers, walkers, transit users, and other uses of this corridor. **The plan's goal is to develop a safe, accessible, and vibrant street for all.**

The purpose of the third meeting is to review refined alternatives and to make recommendations. Options will be presented to receive feedback from the public. For more information on the plan, visit:

<http://louisvilleky.gov/government/advanced-planning/lexington-road-corridor-transportation-plan>
